

True North Strong Contracting

Roofing & exteriors for realtors, contractors, builders, property managers and strata councils across the Lower Mainland.

Who we work with

- Realtors — listing prep, buyer concerns, repair vs replacement clarity in writing
- Contractors & builders — dependable roofing scopes and trade coordination
- Property managers & strata councils — phased projects, documented findings, budget planning

What your client gets

- A free assessment with a plain-language written scope
- Our own crews, WorkSafeBC coverage, licensed and insured
- Manufacturer-trained installation (Malarkey, Brava) and workmanship coverage
- One point of contact from first call through completion

How a referral works

1. Send the address and a few lines of context — form, email, or phone
2. We review scope and timing, then book the assessment directly with your client
3. You get a copy of the findings and the quote, so nothing is a surprise

Services

Roof replacement · Roof repair · Roof maintenance programs · Strata roofing
